

# M230i Desktop

## Versatile label printing

The **M230i** 4" and 6" desktop printers offer a convenient solution for either printing labels for hand application, or as a back-up to integrated print and apply systems. Ideal for producing case, carton, tray or pallet labels, **M230i** DTP 100 & 150 provides a reliable, robust and easy to use system.

### Easy to operate - simple operation and unrivalled capability

- ◆ Clear monitoring & control with optional **TouchPanel** colour user interface
- ◆ Easy navigation and operation with intuitive **QuickStep** software
- ◆ Minimum downtime with tool-free magnetic printhead mounting system & expanding ribbon mandrels

### Lower Total Cost of Ownership – reduced cost and increased efficiency

- ◆ Increased printhead life
- ◆ Lower material wastage with full label coverage allowing optimum label size
- ◆ Increased uptime with fast consumable and print head changes

### Improved performance - sets the standard for efficiency

- ◆ 600m ribbon & label roll capacity within a compact footprint
- ◆ Increased print speed for reduced cycle times
- ◆ Supply chain compliance with full GS1 coding capability at high resolution including bar codes, text and graphics

**Domino. Do more.**

## Benefits of the M230i DTP

- ◆ Flexible multi-purpose solution
- ◆ Accurate & consistent print position
- ◆ Easy and fast consumable changes
- ◆ Industrial robust design
- ◆ Compatible with standard Domino **QuickDesign** label software
- ◆ Ideal as a back-up printer

## Optional **QuickStep** User Interface

For effortless control and status reporting **QuickStep** is our unique, simplified operator interface that gets the printer into action quickly and simply. No complex menus or parameters, just enter the job and away you go.

- ◆ Quick access to favourite menus and settings via large user-friendly icons and customisable home screen.
- ◆ Easy, prompted input of data into label templates.
- ◆ Speed up changeovers and help eliminate coding selection errors with simplified Message Store and live WYSIWYG preview.
